REMINISCENCES OF LINDA RICHARDS: AMERICA'S FIRST TRAINED NURSE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Reminiscences of Linda Richards: America's First Trained Nurse Those of us at whose urging this little book has been written believe it to be not only a very interesting story but also one of great historical value. For Linda Richards has been a pioneer. She has blazed the pathway for a distinct advance in civilization. Many American nurses likewise are entitled to high honor for what they have done in establishing the new profession of nursing and in extending the field of its beneficence; but Linda Richards, as her sisters all acclaim, outranks them all, not only in priority of her diplomas date, but also in the wide extent and variety of her services. For those whose knowledge of Miss Richards enables them to read between the lines of her reminiscences no more is needed. Her simple, direct narrative gives the outline that her friends will well know how to fill in. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
