Running is a really full body exercise that should be utilized whenever possible. It works the core and makes everybody s body more flexible and lose weight. You gain muscle and lose fat quickly, and it s something that we do naturally as children all the time and gradually list item as we grow older. Adults tell us not to run indoors, and soon we start to consider walking as the norm rather than going along with the burst of enthusiasm that we have as children we want to run everywhere and have fun doing it. I think this is tragic, and so I ve written this book about running. I think it s a great way to lose weight, get active, and get fit....
