### ***Reviews***

*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

## HELLO AMERICA

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Hello America, J. G. Ballard, Ben Marcus, A terrifying vision of the future from one of the twentieth century's most renowned writers - J. G. Ballard, author of 'Empire of the Sun' and 'Crash'. Following the energy crisis of the late twentieth-century America has been abandoned. Now, a century later, an expedition from Europe returns to the deserted continent. But America is unrecognisable - the Bering Strait has been dammed and the whole continent has become a desert, populated by isolated natives and the bizarre remnants of a disintegrated culture. The expedition sets off from Manhattan on a cross-continent journey, through Holiday Inns and abandoned theme parks. They will uncover a shocking new power in the heart of Las Vegas in this unique vision of our world transformed. This edition is part of a new commemorative series of Ballard's works, featuring introductions from a number of his admirers (including Ned Beaman, Ali Smith, Neil Gaiman and Martin Amis) and brand-new cover designs.
