

Exercises in Quantitative: Chemical Analysis, with a Short Treatise on Gas Analysis (Classic Reprint)

By W Dittmar

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Exercises in Quantitative: Chemical Analysis, With a Short Treatise on Gas Analysis A preliminary edition of this book, as many of my friends are aware, was issued a little over a year ago for the benefit of chiefly my own students. That edition, however, was little more than a reproduction of what had long had currency in my laboratory as a tryptographed book. Hence this volume may be introduced as having already been used - and I hope not without success - in a largely-attended teaching laboratory for a series of years. However it may stand with analysis generally, quantitative analysis can be taught only by examples; and in the earlier stages of the course the technicalities of the subject are the principal things to be taught. Hence our exercises on analytical methods (section 2) are arranged, not according to any scientific system, but so that, at any given point of his progress, the student has become familiar with as many different operations as could have been learned during the time. To some of my readers...
