We have less time for the important things and too much to get done in so little time. It's just how it goes. When is the last time you had a break or took some time to think about your life? Have you shared all the stories? In today's world we're busy paying the bills, working, taking care of children, home schedules and obligations. We move so fast nowadays that I wonder, do we really take time for ourselves or the people in our lives? With technology, we email and text, but it's pretty hard to text a defining moment or life altering decision. And what about the people we see every day, how many opportunities have we missed to share the most important thing in this life-WHO WE ARE! Name one achievement you're proud of. What are your dreams? How about your favorite memory? Does anyone know everything about you? We are all an accumulation...
