

Wake Up

By Eileen Wolfe

Xlibris Corporation, United States, 2007. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.With every possible choice we must identify early and treat early all types of addiction. Then support the maintenance of recovery in everyone. Chemical Dependency Family Intervention needs to be commonplace and the media needs to focus on Recovery. Part of the problem is the adult attitudes are pro early drinking in adolescents and some even drink with their children and think nothing of it. All people should look at their own relationship with alcohol and other drugs. There is a responsible adult mature way to approach alcohol when people are 21 years old. Those people who are in recovery with alcoholism or addiction do live a productive happy life. The people who are still drinking/drugging along with all their: family/friends who are addicted to them are in desperate need of help. As a society we need to recognize this. We need not sensationalize on the negative, but instead repeatedly showcase those who are healthy recovering families and also families who are healthy and do not have alcoholism/addiction in their family background. Make an effort to read...
