Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from In the World War It is impossible in a small volume to write the history of the World War in even a partially exhaustive manner. Nor is that the object of the book. Rather than to deal with generalities, its purpose is to describe separate events of which I had intimate knowledge, and individuals with whom I came into close contact and could, therefore, observe closely; in fact, to furnish a series of snapshots of the great drama. By this means the following pages may possibly present a conception of the war as a whole, which may, nevertheless, differ in many respects from the hitherto recorded, and possibly faulty, history of the war. Every one regards people and events from his own point of view; it is inevitable. In my book, I speak of men with whom I was in close touch; of others who crossed my path without leaving any personal impression on me; and finally, of men with whom I was often in grave dispute. I endeavor to judge of them all in objective fashion, but I have to describe people and things as I saw them. Wherever the description appears to be at fault, the reason will not be due to a prematurely formed opinion, but rather, probably, to a prevailing lack of the capacity for judging. Not everything could be revealed. Much was not explained, although it could have been. Too short a period still separates us from those events to justify the lifting of the veil from all that happened. But what remains unspoken can in no way change the whole picture which I describe exactly as imprinted on my...
