Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.After an endless day of toil, the average spud or spuddess requires some balm for their gilead before they slip down. Contained in this humble volume are some sights for their sore eyes. A collection of buttered beauties and hot patooties who have subjected themselves to recombinant DNA experiments. All in name of enhancing their natural ingrown gorgeousness. In a startling collection of art and science, they are photographed, using modern techniques, in their natural habitat. Guaranteed all natural light is used. There has been no remixing at the power plant of these photos. If you need a chick, let your sticky, sweat soaked orbs roll no further. These girls are serious. Caution: rated xo Do not dilute! OK! Let s talk! What can it hurt now?.
