In this day and age, we were lucky to have software that takes care of the nuts and bolts of property management accounting. But even with software, you'll find it much easier to keep accurate records if you have an understanding of the basic accounting concepts upon which these programs are based. Buildium's Property Management Accounting teaches you these concepts with property management specifically in mind. Don't worry if you don't have an accounting degree or previous bookkeeping experience. This guide will arm you with all the information you need. And if you do have an accounting background, you'll find some great refresher information inside as well. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
