Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from New York in Slices: By an Experienced Carver, Being the Original Slices Published in the N. Y. Tribune; Revised, Enlarged, and Corrected A great city is the highest results of human civilization. Here the Soul, that most perfect and godlike of all created things, the essence and spirit of the visible world, has put forth all its most wonderful energies - energies developed to their utmost power, and excited to their highest slate of activity by constant cont with countless other souls, each emulating, impelling, stimulating, rivalling, o doing the others. What a world of thought and wisdom and imagination and benevolence and friendship and love ought we not to expect from this mighty concentration of so many immortalities, so many heavenly faculties! The very atmosphere should be purified and brightened by the incessant flashing of the electricity of intellect, and a boundless horizon of sympathies and affections, rising from all these noble hearts, should spread above the dwelling-place of so many glorious spirits, reminding them always of their heavenly origin, and keeping ever in view their lofty destiny on earth - to sanctify this material life and this all beautiful world to God and to each other. Yes - man in isolation, or thinly gathered in feeble neighborhoods and scattered villages, is powerless to accomplish great works, or to fulfil the mission of his race. It is only in a large city, where some hundreds of thousands combine their various powers, that the human mind can efficiently stamp itself on every thing by which it is surrounded - can transmute the insensible earth to a fit temple and dwelling-place for immortal spirits. What do...
