

The Dark Numbers

By Luc Descamps

Digital Fabulists, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The first book in the award-winning Flemish Young Adult series, now available in English! Tim de Wilde has an affinity for numbers, a skill which brings him to the attention of the secretive WITCH school -- the Wonderful Institute for Terrific CHildren -- home to kids with special gifts. While Tim finds the students special, the teachers are another matter entirely: another scary matter. Headmaster Lovecraft behaves suspiciously. Handyman Igor skulks around in the background -- and yells at the rainclouds that follow him everywhere. Professor Bones is the worst of all, possessed of a horrible stench that chokes everyone to their needs. But there s something else about the school. A secret that rests in the basement. A secret the students are forbidden to investigate. A secret that intrigues Tim. A secret that will send Tim traveling into the past and force him to confront the strangest mystery of all. Something called The Dark Numbers.

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
