Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

THINGS GO WRONG FOR ME (WHEN LIFE HANDS YOU LEMONS, ADD VODKA)

Rcg Publishing, United States, 2012. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.Things Go Wrong For Me is a memoir of sorts, a road map of Rodney Lacroix's haywire life thus far. From his childhood, through the raising of his own kids, to his vasectomy and post-divorce world . this book is more than just a culmination of outrageous stories woven into a cohesive narrative, it's a testament for the little guy. In this case, literally. Rodney is 5'3". He's very little. Almost tiny. Bank tellers offer him lollipops. He makes holiday money wearing green stockings and fake ears. But even though he's small in stature, his stories and the laughs that accompany them are definitely BIG.
