But when we dare to look deeply into our own unconscious mind, we'll be shocked to learn what we really believe about God--and thus, about Self and world. The End of Death - Volume One: The Development of Trust is a clear and uncompromising beacon that illuminates our current predicament, as well as the steps required in our journey home to God. Using A Course in Miracles as its treasure map, The End of Death carves a brilliantly clear and insightful path straight toward the treasure of Christed awareness. And the many Course quotes she includes offer undeniable proof of the argument she makes: That Jesus asks every one of us to embody full Christed awareness -- right here, right now, while still in a body -- just as He did. Included with this book: Powerful additional support in the form of diagrams, exercises, prayers and guided audio meditations...
