Createspace, United States, 2011. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Written by a school counselor who talks with students about their relationship problems on a regular basis, Straight Talk About Teen Dating communicates important information about a God-centered approach to dating that is an alternative to the devastating approach to dating taught to us by the media and our popular culture. In a down-to-earth way, the author explains how to prepare for dating by becoming the type of person that God wants you to date (a keeper), when and who to date, how to attract a keeper, how to do dating right, how to decide whether or not to continue in a dating relationship, the difference between the feeling of being in love and true love, the dangers of living together, how to decide whether or not to get married, and more. Wegert shares in each of the twenty-five chapters something about dating or something related to dating that he wishes he d known before dating and during dating - with the hope of helping teens to avoid a broken heart or worse and to one day have a lifelong loving Christian marriage. The themes of how much God loves us, how He wants only the best for us, and His willingness to forgive us regardless of what we ve done flow throughout the book. Review: Great, Insightful book This book is right on with the values it discusses. It really exposes the myths and societal pressures on teens when they are dating. As a high schooler, I now have a better understanding of how to date and what not to do when dating. - an online review From the Author: We ve been taught by the media...
