Brand New Book ***** Print on Demand *****.Excerpt from **The Great Bridge: The Orations of Hon. Abram S. Hewitt and Rev. Dr. R. S. Storrs; Delivered on the Occasion of the Opening of Bridge Between New York and Brooklyn May 24, 1883** Two hundred and seventy years ago the good ship Tiger, commanded by Captain Adraien Block, was burned to the water s edge as she lay at anchor just off the southern end of Manhattan Island. Her crew, thus forced into winter quarters, were the first white men who built and occupied a house on the land where New York now stands; then, to quote the graphic language of Mrs. Lamb in her history of the city, in primeval solitude, waiting till commerce should come and claim its own. Nature wore a hardy countenance, as wild and as untamed as the savage landholders. Manhattans twenty-two thousand acres of rock, lake and rolling table-land, rising at places to a height of one hundred and thirty-eight feet, were covered with sombre forests, grassy knolls and dismal swamps. The trees were lofty; and old, decayed and withered limbs contrasted with the younger growth of branches; and wild flowers wasted their sweetness among the dead leaves and uncut herbage at their roots. The wanton grapevine swung carelessly from the topmost boughs of the oak and the sycamore; and blackberry and raspberry bushes, like a picket guard, presented a bold front in all possible avenues of approach. The entire surface of the island was bold and granitic, and in profile resembled the cartilaginous back of the sturgeon.
