

Hendrix on Hendrix: Interviews & Encounters with Jimi Hendrix

Filesize: 4.91 MB

Reviews

Most of these ebook is the perfect publication offered. Sure, it really is play, still an interesting and amazing literature. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about in the event you check with me).

Chicago Review Press. Hardback. Book Condition: new. BRAND NEW, Hendrix on Hendrix: Interviews & Encounters with Jimi Hendrix, Steven Roby, Though many books have chronicled Jimi Hendrix's brilliant but tragically brief musical career, this is the first to use his own words to paint a detailed portrait of the man behind the guitar. With selections carefully chosen by one of the world's leading Jimi Hendrix historians, this work includes the most important interviews from the peak of his career, 1966 to 1970. In this authoritative volume, Hendrix recalls for reporters his heartbreaking childhood, his concept of "Electric Church Music" (intended to wash people's souls and give them a new direction), and his wish to be remembered as not just another guitar player. While Hendrix never wrote a memoir, with new transcriptions from European papers, the African American press, counterculture newspapers, radio and TV interviews, and previously unpublished court transcripts, this book gives music fans the next best thing to a Hendrix autobiography.
