Loter

By Juan Felipe Herrera

City Lights Publishers. Hardcover. Book Condition: New.

Artemio Rodriguez (illustrator). Hardcover. 208 pages.

Dimensions: 6.8in. x 5.7in. x 1.0in. The gorgeous black and white line art inside this hefty little book instantly caught my eye.

These linocut drawings were not the regular loteria images.

They were modern adaptations, made with painstaking detail (think of a turn-of-the-millennium, wired Posada) and showing a distinctive sense of humor and pathos. The poetry, commissioned especially for the drawings, also showed a fresh and modern take on the icons of Mexicanismo and Chicanismo.
