With its intricately inlaid woods and elegant style, the desk is perfect for Abby; it is the gift she promised herself to finally celebrate her thriving antique business. She has no idea that the antique desk holds a secret that will lead her on a fascinating, life-changing journey back in time. When Abby discovers a hidden diary stuffed inside a secret compartment in the desk, she can hardly wait to read the spidery, faded script. As she carefully turns the tattered pages, she reads the captivating story of two remarkable women from opposite backgrounds who somehow manage to form an unforgettable bond against the backdrop of a fledgling America struggling to find its place in the world. Elizabeth Kortright Monroe, the wife of James Monroe, and Jasmine, a young slave girl, develop an extraordinary relationship as they are united by pivotal historic events, political intrigues, and personal tragedies.
