THE ART OF RIMFIRE ACCURACY

AuthorHouse Publishing, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: William "Bill" Stewart Calfee was born September 1944 about half way between Hindman & Hazard, KY. His family relocated to New Albany, IN during 1953. The Calfee family didn't have much but, they had plenty of love to smooth out the rough times. Bill spent his youth in New Albany doing research along the Ohio River as most young boys love to do. He loved to spend his free time enjoying Mother Nature to her fullest. As a young lad Bill would scan various mail-order catalogs using a flashlight under his bed covers while dreaming about owning guns. Of course, he was supposed to be sleeping. Sleeping or dreaming about guns that was a no brainer for Bill. he could sleep another time. Bill enjoyed the mechanics of things and how they worked so much that he always had to dis-assemble items to see why they worked the way they did. This "Have to know why" spirit carried over into his love of guns. Bill was fortunate to be growing up during a time that allowed competing high school rimfire rifle teams. Bill was a member of his New Albany high school's rimfire team. This time sparked his interest into accurate rifles and what causes them to be accurate. Unknowing to him at the time, his future path was coming into focus. Back in the early 70's Bill had a terrible accident while driving his employers' utility truck. He had multiple fractures of his left leg and hip, a broken right hand and some internal injuries. This accident played a large part in him devoting more time to his gunsmithing interest due to the prolonged time needed for his recovery. His interest in guns helped...
