By Roger S. McIntyre, Jay Nathanson

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Severe Depression, Roger S. In addition, a variety of novel augmentation strategies are being tested. Hitherto relatively few reviews, texts or monographs have focused on the diagnosis and management of severe depression. Part of the Oxford Psychiatry Library, this concise pocketbook covers the clinical features and definition of severe major depressive disorder. It focuses on current treatment strategies as well as an algorithmic...
